# INVESTMENT LEVELS & BENEFITS

## WHY INVEST?

In the past 5 years, we have had the opportunity to announce 15 new company locations or expansions.

These announcements have resulted in the creation of more than 800 full-time jobs and more than 75 part-time jobs! Total investment of these projects exceeds \$105,000,000!

We have also worked to implement workforce development and training programs, tailored to meet the needs of our companies and our community.

We have the momentum, leadership and the team in place to make Mayfield and Graves County a leader in the region for years to come.
